

SHIVA CARRIERS – SALT CONTAINER TRUCK – KENYA

Shiva Carriers Ltd. is a transport company located in Mombasa, Kenya.

In March 2012, a 200 m² salt container truck was coated with Aquazinga to protect it from corrosion.

Previous coatings had failed within a few months as the container, which is used for transporting salt, is subjected to a very corrosive environment.

Before treatment

Blasting

System:

Inside

Aquazinga	80 µm DFT
Zingaceram HS	125 µm DFT

Outside

Aquazinga	80 µm DFT
Zingaceram PU	125 µm DFT

Blasting

Inspection of profile roughness
