

WATER PIPELINES - MOSVODOKANAL – RUSSIA

MOSVODOKANAL (MBK) is the largest water company in Russia, providing services in water supply and sanitation for more than 15 million people, mainly in Moscow. These pictures were taken in September 2003 during the application of **ZINGA** on pig-iron and steel pipes with and without polymer topcoat.

System:

ZINGA 2 x 60 μm DFT

or

ZINGA 1 x 60 μm DFT

Polymer topcoat
